

Meeting Minutes for 2008

===== **Dec 2008** =====

===== **Nov 2008** =====

===== **Oct 2008** =====

**PENINSULA SAILING CLUB
MEETING MINUTES
OCTOBER 14, 2008
7-8 PM
LOCATION: BROWNSVILLE MARINA DELI**

ATTENDING

Chris Quinn - Commander
Malcolm Davis
Laurie Davis
Karen Demerick
Jack baily
Sandy Bochonok
Paul & Debbie Duane
Beth Munsch

OLD BUSINESS

Treasurer's Report - balance \$1,780.57
New boat fund (included) \$130
No other expenses due until Jan '09
Membership is now at 16.
B.A.D. (Brownsville Appreciation Days)
Had been held on Sept 27th, Saturday, 1-4 pm
Eleven (11) club members helped out. We had 3 boats sailing in the lagoon, an information table in the parking lot and members assisting at the dock helping people in and out of our sailboats and the inflatables.
The marina gave us an atta-by for our particiapation. This was the largest attendance ever for BAD.
The new signs on the boathouse have generated several new memberships. Money well spent.

NEW BUSINESS

At the November meeting we will be taking nominationf for club officers for the year 2009. Voting will be during the December meeting. New officers will take over at the January meeting.
The Commander job responsibilities - presides over meetings
Vice Commador - Takes care of and maintains the equipment

Meeting Minutes for 2008

Secretary - takes minutes of the meetings and posts them

Treasurer - Takes care of the club's finances

Co-vice commadore - interested members who want to assist (a lot)

Equipment Update

Malcolm will be derigging 2 of the boats on either Oct 25th or 26th. He will need volunteers and will be putting out an email to members telling the exact date/times/ Also minor repairs will be done on the boats at that time.

The centerboard on #5: You have to be careful when lowering the centerboard. If you just drop it into place, it may fall out of the holding slot.

Some of the new members have already been skippered.

The club will have its 50th anniversary next year. We need ideas on what kind of celebration we should have.

Donation Reminder- At each meeting there is a \$5 voluntary donation by each attending member to the "new boat fund". Donations are tax deductibles as we are a non-profit club. The fund is now at \$130.

Club Website - We need someone to step forward to manage the club's website. Now it is using the FrontPage format. It needs to be maintained and updated. This had been done by a former member. The website is in sorry shape.

Future Agenda Reminders:

Jan- March '09 - Three months for members to pay their '09 membership fee.

April 1, 2009 - The combo to the boat house will be changed and the new combo will be given to the members who have made their membership payment.

One or two boats are left rigged for the winter. The Lasers are available for use during the winter too.

Make sure when you de-rig the boats, the items are put back neatly in the boathouse. Make sure you sign out when you go for a sail and let someone know that you are going out.

(family - friends)

NEXT MEETING

NOVEMBER 11TH, Tuesday 7 pm

Location - Commander Chris Quinn's residence

1111 Blomster Way

The Commander will be supplying dessert during this meeting. He needs an RSVP so he will know how much to make. If you need futher directions, contact him at

chrisdquin@gmail.com

Directions: From the Intersection of Hwy 308 & Central Valley Road/Scandia. Turn north on Sandia. Immediately after going over a speed bump, turn right onto Blomster Way. Near the end of the road, on the right hand side will be a bright orange house. Just past this orange house, take the driveway & go behind this house. The Commander's house is behind the orange house.

Meeting Minutes for 2008

Ajourned 7:45 pm

===== Sept 2008 =====

PENINSULA SAILING CLUB

Meeting Minutes

September 9, 2008

In Attendance:

Jack Bailey

Brigit & Jim Zacovic

Chris Quinn

Todd Bittiger

Malcolm & Laurie Davis

Rich McCullough

Paul & Debbi Duane

Craig Cutting

Old Business: Rivet gun still needed to reattach cleat to boom for outhaul on #4.

Treasurer's Report: Checking Account Balance \$1,650.57

Includes \$933.70 in general funds and \$716.87 in the new boat fund

Currently 16 Memberships

(The Duanees and Craig Cutting joined at end of meeting bringing total to 18)

Brownsville Appreciation Day (B.A.D.) will be Saturday, September 27. The Port has invited us once again to have an information table set up and to give boat rides in the "lagoon." We are scheduled to be there 1:00 - 4:00 p.m. If you can help man the table or skipper a boat please let Laurie know (davismgd@comcast.net).

If you haven't attended B.A.D. before we encourage you to come check it out. Jack Bailey says it will be great this year. There will be live entertainment, a car show with 100 cars in the upper parking lot, thirty five vendors, super cheap hot dogs and hamburgers, lots of fun for children and adults.

Chris Quinn and Rich McCullough have been out several times with new members who are working on being skippered. Jim Zacovic is now skippered. The Munches have gone out and daughter Mandy will be skippered soon.

New members all need to sign liability waivers and any guests that are taken out need to sign a guest waiver.

There is a sail bag missing. The main and jib are folded up and placed on one of the

Meeting Minutes for 2008

shelves.

The next meeting on October 14 will be held in the Deli at 7:00.

The Quinns will host a meeting at their house during the winter. Details will follow when date is set.

Rich says the stays on #3 seem loose and that the mast rocks a little too much. Steve Trunkey would be a good source for advice on how they should be tuned.

The cradle that #4 is sitting on needs new cushioning attached.

Rich would like to look into a tiller lock for single handed sailing. He is also looking at a winch his dad has that we may be able to use to help with hauling the boats on to the dock.

The Website needs updating. Anyone who has experience and/or desire to help with this is encouraged to step forward. Steve Trunkey has done this in the past; however he is now very busy with coaching the high schoolers for the Central Kitsap club.

After B.A.D. we need help to take down the masts on a couple boats and get them turned over for the winter. Contact Malcolm (davismgd@comcast.net) if you can help.

Please rinse down the boats when you put them away after sailing. If anything breaks or you notice any problems with a boat please note it on the sign out log and contact Malcolm so we can get it fixed.

As you enjoy this beautiful fall sailing weather remember that you can go online to the Port's website at www.portofbrownsville.org and see what the wind and tides at the marina are like. Use caution at low tide. If you go outside of the green markers you can easily hit bottom.

We need more membership forms and brochures in the box on the shed. Laurie will take care of this.

Respectfully submitted,
Laurie Davis
Treasurer

Chris Quinn – Commodore (brought brownies again! Thx Chris)
Beth Munsch
Stewart Munsch
Mandy Munsch
Todd Bittiger
Birgit Zacovic
Jim Zacovic
Rich McCullough – Assistant to Vice Commodore

SECRETARY'S REPORT

Sorry, no Secretary's report or review of past minutes.

TREASURER'S REPORT

Sorry, no Treasurer's report. Malcolm said there were no new expenditures but significant income from new member dues.

VICE COMMODORE'S REPORT - MAINTENANCE

Hull #4 headstay failed recently and a replacement cable assembly is needed.

NEW MEMBERSHIP

Our public sail program has been fruitful. Malcolm reported Jason Esposito has skippered. Walter (Wayman?) wants to join and learn to sail. Debbi Duane family also is interested in joining. Several others have joined recently and will need a fair bit of instruction to become skippers, so we need all available skippers on deck. Please get in touch with Rich (c. 360.710.1702) with your best contact info and availability so we can get that out to new members. See attached for the current list. Rich will update as required. In lieu of social sails we will try to support new members with lessons/sailing opportunities in the coming month(s). New members should contact skippers directly to arrange outings.

NEW BUSINESS

Rich expressed interest in developing a policy for taking a boat beyond the normal limit of line of sight, say Liberty Bay or south toward Port Orchard bay. Chris said the policy of staying within eyesight of the marina is intended for safety and convenience. A boat that capsizes is more likely to get noticed and receive rescue assistance within sight of the marina. Wind often dies and when combined with an unfavorable tide can make returning to the marina difficult. On some social sails the club has had to depend on someone in the skiff to tow them back. With Jack's gracious loan of the electric trolling motor that challenge can be dealt with. The trolling motor should be good an hour or two at medium speed. Decision on a new policy was tabled pending further consideration. The trolling motor is very helpful for getting out of the marina area in light winds. The Port long term plan is to move the club to a new spot out near the breakwater in a couple years where wind is more favorable. The dock is expected to have a sloping ramp into the water so launching should be simplified.

Meeting Minutes for 2008

Jack emphasized that sailors being vigilant and maintain situational awareness when coming and going from the marina. Brownsville is seeing a lot more traffic at the fuel dock in part because the Port Orchard gas dock is temporarily out of commission.

Semi-formal open house in May. No additional info at this time.

Chris asked our new members not to hesitate to ask questions and provide the club with feedback about anything at all. We also don't want them to feel pressured about becoming skippers this year if they are not comfortable. We want competent and confident skippers.

NEW MEMBER DISCOUNT

We discussed the new member discount policy that was the subject of previous meetings. Rich said we should honor that intent. Chris suggested a \$10 per month discount as a simple prorate scheme. Malcolm suggested applying dues (estimated at about \$50) for members joining after August 1 exclusively toward the new boat fund, since dues from other new members should be adequate to meet our operating expenses for this year. This new boat fund is dedicated exclusively to acquiring boats to upgrade our fleet. It stands at about \$600 now. Our longer term members have been encouraged to donate \$5 at each monthly meeting toward the new boat fund. Options could include acquiring some 15-18 year old Laser 2s from North Kitsap or maybe some Vangards.

Rich moved that we discount new member dues by \$10 for each month prior to their joining down to (not less than) \$50, and that dues paid after August 1 be dedicated to the new boat fund. Jack seconded and the motion carried.

TALL SHIPS

The Tall Ships (as many as four!) will be in Brownsville August 29th (Friday).

NEXT MEETING

Pete Santerre - new member

TREASURER'S REPORT

As of 7/8/08, Balance is \$1,624.57
New Boat Fund - \$676.87
General Fund - \$947.70

12 Paid Members

PUBLIC SAIL/RECRUITMENT DRIVE

Went well. Nice day but the wind died a few times. Lot of sail rides were given by Chris, Malcolm and Rich. Karen manned the chase boat. We got 2 new members from that day, plus the possibility of a future membership of 2 other families. A good time was had by all.

The newspaper add that advertised our club and the sail was a success, so we will be doing

Meeting Minutes for 2008

it again. **The date set will be the last Sunday of July, on the 27th. starting at 1pm - 4 pm.** Rich be the contact again and handle the calls. Malcolm, Rich and Chris volunteered to be the skippers again. Sandy said she would man the dock. Malcolm will bring some radios so that the boats and the dock can stay in contact with each other. A discussion on the best placement of the prospective members to await their sail - maybe at the end of A dock? Will save time so that the boats don't have to come all the way back in.

Rich bought up the suggestion on how to impart our knowledge and skills to the new members so they be skippered faster. Maybe have the current skippers volunteer to teach 2 lesson. Need a syllabus for a guideline. Rich will see what he can find.

Impression from the new members, Sandy and Pete, on how we could improve our membership drive - as seen from their prospective of just going thru the process we have.

1. Needs some teaching aspect, something solid to offer the new memeber
2. Geared toward adults
3. More contact once you have joined, let them know what is going on. Need a process

SEA SCOUTS UPDATE

Nothing heard from them. Chris tried twice to contact them. Will keep them in mind.

NEW PULLOUT

It's working but Rich needs to tweak it some more. Still have to figure the best way to pull the boat up over the edge of the dock with the least pressure.

BOAT REPORT

We lost a boom on hull 6 as the track kept spreading. Malcolm replaced it with one from the bone yard. Unknown cause.

The rudder keeper on hull 6 is not working. Malcolm will be looking for a spring lock for it. The other boats have it but hull 6 didn't.

NEXT MEETING

August 12th, 7 pm (2nd Tuesday of the month)

At the club's boathouse

NEXT SAIL FOR NEW MEMBERS RECRUITMENT

JULY 27TH, 1 - 4 PM

PENINSULA SAILING CLUB
MEETING MINUTES
JUNE 10, 2008

ATTENDING

Chris Quin - Commodore
Malcolm Davis - Vice Commodore
Laurie Davis - Treasurer
Karen Demerick - Secretary
Rich McCullough

The membership of the club is now 9 members

Treasurer's Report

Balance as of 4/8/08.....\$2,368.57
New Boat Fund.....651.87
General Fund.....1,716.70

Upcoming Expenses.....US Sailing Dues....\$200
Insurance.....928

Rich had designed and build a new haul out system for taking our boats out of the water. Needs some minor tweaking.

Still no answer from the Sea Scouts about joining our club.

The Open House that was on May 10th was only attended by Chris and Malcolm. This was also our May monthly meeting. Nothing new.

It was decided by the members attending this meeting that Social Sails will now be determined at the monthly meeting for that month's sail.

Anyone joining the club during the June/July months will just be charged 1/2 the price of membership instead of the full price. Motion put forward by Rich and seconded by Laurie

New idea for a membership/recruitment drive - to advertise free rides in the Kitsap Sun Calendar of Events to include a free informal lesson on sailing on a specific day. Weather permitting, of course. Rich volunteered to be the person in charge of any advertising and also to be the contact person those interested parties would call to schedule. We would also be screening the interested parties for age, under 18 yoa have to be accompanied by an adult.

Meeting Minutes for 2008

This segues into>>>>>

**JUNE 22, Sunday
Starts at 1:pm - 3 pm
Social Sail and Free Sailing Lesson & Boat
Ride Recruitment Drive**

Members who agreed to be at the dock are Chris, Malcolm, Laurie, Karen and Rich. The other members of the club are welcome to attend too to brush off those rusty sailing skills. Rich has already submitted the invitation to the newspaper

NEXT CLUB MEETING
JULY 8TH, Tuesday
7pm
At the Boathouse or the Marina Deli

PS - Have you checked out the new sign on our Boathouse yet? Sunday would be a great time.

Laurie Davis - Treasurer
Karen Demerick - Secretary
John Hartnam - Co-Rear Commodore
Clark & Saranel Jelley
Jack Bailey
David Michalski

Treasurer's Report

Meeting Minutes for 2008

\$1,938.33 , which included \$584 of our New Boat Fund.

As of 3/11, 7 members have paid their 2008 dues

Upcoming expenses are registration for the boat trailer, US Sailing dues, Insurance.

Equipment

Hull #7 has been stripped. The 4 hulls left on the dock are in good shape.

Membership

Laurie will be sending out the dues statements to last years members in this weeks mail. All that needs to be done is to write your check and mail it back.

Combo Change

The combination to the boat house will be changed and the new combo is to be given out to the members who have paid their 2008 dues at the April meeting. All members present agreed on the new combo.

Boathouse Signs

We had more discussion on the signage for the boathouse on either to place it on the side with the doors (24" x 94") (24" x 75") and have it cut into sections or to have it on the west side (closest to Illahee Road) . John can get the alumium either pre-painted or bare. He will get some scrapes of each to see how each would fit by the doors. The lettering will lbe done by SignTown and will be luce and red on a white background. A sample picture was handed out.

Website

The new website is up and running. Same address

www.peninsulassailingclub.org

\$60 for the year. Uses Front Page. Steve Trunkey is the webmaster. If you have any good pictures or want to submit any interesting articles for the website, contact Karen or Steve. Steve want some feedback on how the web site is looking. Does it come up easily for your? The provider is Telebyte.

Birkenfield Trust

Same. No change

Sea Scouts Proposal

Malcom put forth a proposal for a layered membership for the Sea Scouts. The Boy Scouts of America's insurance covers them. They would be allowed to join under David Malchalski. The Sea Scouts have already been trained in safety, boating, first aid. They would still have to be checked out to be skippered on the boats. Liability Concerns? David will check to make sure that the Boy Scouts insurance will cover them. Laurie will check our

Meeting Minutes for 2008

insurance. Chriss will check out constitution. After this info is obtained, more discussion will be done.

New Haulout System

Brainstormed on a new haul out system so that the boats will not be damaged when being launched or being pulled out. Too much pressure on the mid line of the boats. Malcolm said he will get a rigid piece of plastic to try it on Boat Day. Crane? Sling? Think of some serious and not too expensive proposals by the next meeting so we can try it on Dirty Boat Day. Has to be single-person usage, safe and be able to be used on windy days.

SCHEDULE

APRIL 8th, Tuesday. April Monthly Meeting. 7 pm. Meet at the Deli.

APRIL 26th, last Saturday in April. Dirty Boat Day. 10:00 am - 1:00 pm..

We will pressure wash the boats and the everything else that

isn't nailed down. Clean & straighten the shed, scrub the boats.

Maybe paint the shed?

**MAY 10th, 2nd Saturday in May. Open House. 10:00 am - 1:00 pm.
We set up a table and meet the public.**

RACING CREW WANTED for a 36' & 30' boat. Call Clark 340-7139.

8:10 Meeting ended

===== Feb 2008 =====

Peninsula Sailing Club February 12, 2008 Meeting Minutes

Location: Brownsville Marina Deli

Attending: Chris Quinn - Commodore
Malcomn Davis - Co-Commodore
Laurie Davis - Treasurer
Karen Demerick - Secretary

Meeting Minutes for 2008

John Hartnam - CO-Rear Commodore
& nbsp; Steve Trunkey

.....

Treasurer's Report

Balance \$1,694.93

New Boat fund - \$454

18 members as of the end of 2007

Equipment

We still need to strip the hardware off of Hull #7. This hull has a hole in it that cannot be safely repaired.

The battery and the electric motor are ok.

Signage for the Boat Shed

Clark Jelley had some estimates and sample pictures of signs for our club to put on the boat shed. We discussed the size of the signs, where they could be placed for best viewing (roof, eaves, sides and which side of the shed), wording on the signs, the font and font size, and the thickness of the aluminum itself.

John will see if he can get a better price on the aluminum. Malcomn will get a better pricing on the lettering. Up to \$200 was approved. Anything over \$200 and Chris will send it out to the membership.

Website

There have been problems of people not being able to access our website. Steve Trunkey will contact the current webmaster and see if our website can be moved to a telebyte(??) host. This should allow for easier access and editability.

Door Code

The code to the lock on the boat shed is due to be changed. Several suggestions were given at the meeting. If you have a suggestion, send it to Karen or come to the March meeting to submit it. The code will be changed on April 1st and will only be given out to those whose membership is paid up.

Membership

If the previous paragraph didn't jog your memory, it is time to pay your 2008 membership dues. The cost is the same as last year. Send your checks

Meeting Minutes for 2008

to Laurie or better yet, bring them to the next meeting.

Boat Fund

We are still trying to build up our new boat fund so we can buy a new boat. Donations are very welcome. A suggestion was put forward at this meeting that every person attending a meeting can voluntarily donate \$5 toward the fund. Everyone present immediately donated \$5.

Birkenfield Trust

Still no luck in getting any money for our club from the trust per Chris. He thinks we may have a chance if we change our non profit status from 501.C.7 to 501.C.3. If anyone knows how to do this, contact me or Chris.

Brainstorming

We discussed ideas on an easier way to launch and retrieve our boats from the water to the dock without putting any strain on the boat's structure.
